

# Manthan Khandale

FLUTTER DEVELOPER

Hey,

I am 21 years old Computer Science Graduate who likes to make beautiful app. I like to make apps that are as simple and easy to use. Always seeking for new ideas and challenges. Can handle all work starting from planning and UI design to deploy app to play store or app store. I'm looking for internship and really excited for the future journey.

## Google Firebase Integration

Authentication  
Realtime Database  
Cloud Firestore  
Storage

## Animation

Lottie  
Rive

## State Management

BLOC  
Provider

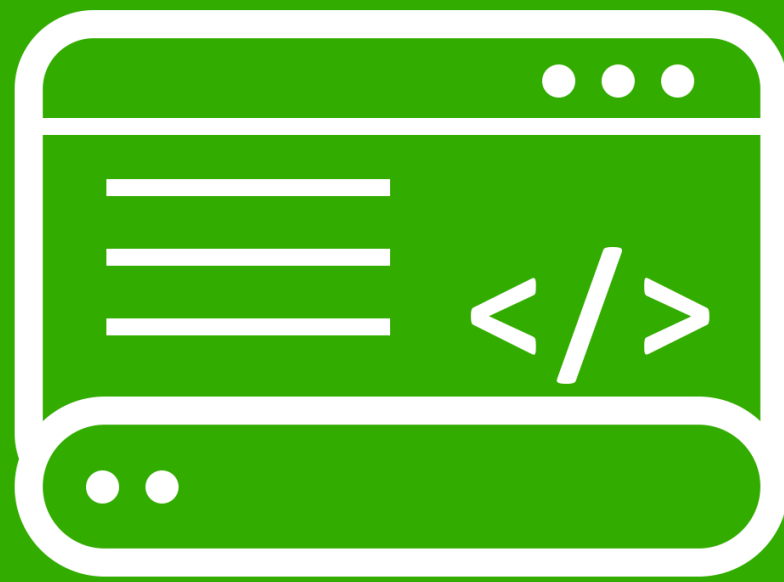

## Version Control System

Git  
GitHub

## Clean Code Architechture

Easy Maintenance  
Expandable  
Test Driven Development

## Testing

Unit testing  
Widget testing  
Integration testing
